## OPEN HOUSE

*AUGUST 25<sup>th</sup>, 2018 9:30 - 12:30*

With great pleasure we would like to invite you to our first open house.

During the open house we will inform you about the renewed Taal Actief version 4 learning method for our groups 4 to 8, the implementation of the digital platform, our new group for the youngest kids and more.

We will have fun activities for the kids, so they can connect or reconnect with their peers as you meet with our team, board and mingle with fellow parents.

Looking forward to meeting our new families and familiar faces and to connect with you all.

### We need your help!

It is crucial that we as school, parents and students work together as one team, this creates a healthy and positive learning environment for your child.

By being closely involved in our school as a volunteer during our cultural events, helping in a classroom during testing or become part of our board. You help us create a stimulating environment.

Please don't forget to sign up as volunteer, this way we can make sure your time will be used wisely.

Kind regards,  
The Oranjebloesem team
